## GLOBAL LEARNING FOR MIND AND HEART 2016-2019

Lesson Plan for Migration (by Ahmet UYAR, Izmir Anadolu Lisesi)

Theme: Migration and Our World

Time :40minutes

Objectives: To raise awareness of our students about the reasons of migration and the results in our current World; get the students familiar with the keywords on migration; to teach about the main reasons of migration in Turkey.

Materials: 1. Powerpoint presentation "Migration"

2. Paper dictionary

3. Migration Map in Modern Turkey.

Implementation.

1. Teacher writes the terms on the board related to migration and asks students to explain their meanings if they already know.
2. Teacher gives the paper dictionaries to the students and get them match the words and their explanations
3. Students get the migration map in modern Turkey and spend a few minutes to understand the most popular ways of migrating.
4. Students share their ideas about migration, voluntary migration, impulsive migration, forced migration, .
5. Students share their ideas about the pull factors and push factors of the migration.
6. Teacher introduces the migration map in modern Turkey.  
Students discuss the following questions with the help of presentation and their Daily experiences.
  - a. What are the pull factors and push factors of migration after 1950s?
  - b. Why do the people in eastern Anatolia migrate to western part of the country?
  - c. What was the main reason of migration in 1980 and 1990s?
  - d. What are the pull and push factors of migration after 2010 in the middle east?
  - e. What are the effects of the middle east wars on migration to Turkey.
  - f. What are the results of migration on Turkey after 2010?
  - g. What can be done to change the situation and to make people to choose to stay in their own country?
7. Activity: With whole class, we'll go to a movie called "MORE" which has been rewarded lots of times in international and national film festivals. It is about immigrants who try to escape illegally to European countries using West coast of
